

REMIX ASSIGNMENT

TASK DESCRIPTION

Create a remix for EITHER of the A Capella tracks *Rainy Day* OR *Tom's Diner* using eight Acid loops. The vocal tracks needed for this assignment can be found on the school's 'G' drive.

This assignment forms part of your assessment in Music Technology and must be completed at a high standard.

Your assignment must be completed in accordance with the Rules outlined below.

ASSIGNMENT RULES

1. You must use eight Acid loops as well as the acapella vocal track provided. (see your teacher if you can't find these on the school's network.)
2. You must document which loops you have used and submit the list with your track.
3. Explain how you put the song together and what was your inspiration.
4. You must submit all of the above, plus the Acid file of your remix to your Music Technology teacher for marking
5. Save your Acid file as *Rainy Day (FirstName LastName)* or *Tom's Diner (FirstName LastName)* in your "Songs" folder on the Z drive– your teacher can access this
6. Print out your documentation and hand it in on the due date
7. All assignments must be submitted to your Music Technology teacher by Friday, 13 June 2003
